With reference to your orders on my note of 20th September 1899, I submit the enclosed 12 Precis, which explain the irregularities committed by Mr. Ananththa Rao. I considers that it is not advisable to retain his services in the Public Works Department any longer. I considers him to be an utterly useless and untrustworthy Officer. The irregularities in the Kolar & Shimoga Divisions were serious, but he was perhaps too leniently treated, & he was given another Chance in Bangalore. Here his conduct has been worse, and instead of

of keeping to improve
he is going from bad
to worse. There are several
circumstances of a very
suspicious nature in
his manner of carrying
out works; & though
nothing definite can be
proved, I think it will be
seen after reading the precis,
that it is highly undesirable
to keep him longer in
Government Employment, and
I sincerely hope that at
any rate he will be
removed from the D.F.W.

TO THE DEWAN OF MYSORE

for Orders.

—:0:—

In his note dated 25th January 1898, Colonel Bowen reported to you that Mr. Anantirtha Rao, then officiating Ex. Engr., Shimoga Divn., had a nasty fall from his dog-cart, at Sagar, on the 13th idem, which rendered him unconscious for some days. On that occasion, he was absent from duty for a period of one month and 8 days; but he continued to suffer from the effects of the accident, & was obliged to take leave again for about 3 months. On his return from this leave about the end of January last, I posted him to the Sanitary Works Circle, for light work in Bangalore, as he was physically incapable to undertake duties in the General Branch.

2. In June 1899, the Sanitary Works Supdg. Engineer reported that Mr. Anantirtha Rao had been engaged

engaged on the Malleswaram extension & opening out the congested parts of the City; that he was not able to move about on foot over any distance, but carried out his inspections on horse back, and in the City, he moved about in a coach. He also attended office.

III As Mr. Ananthirtha Rao did not appear to be getting better, though he had been on light work in Bangalore for some months, I sent him to Dr. Benson, for medical examination to ascertain his physical fitness for further service in the P.W. Dept. I put up Dr. Benson's letter no 749 dated 12th instant, reporting that in his opinion Mr. Ananthirtha Rao is "not physically fit for the "active duties of an Asst. Engr, "but that he may be given "some appointment that re- "quires only office work."

IV. Mr. Ananthirtha Rao having been pronounced to be permanently incapacitated for the active duties of an Engineer, and there being no possibility of finding continuous office work in the

P.W.

where it may be possible to provide him with suitable employment. He is now 44 years of age, & has 17 years service. He draws ~~Rs~~ a salary of Rs 300 as Asst Surg. 1st Grade.

V. I understand that he was being for the post of Asst Examiner, P.W. Accts in Mysore, which will fall vacant next May, by the retirement of the present incumbent Dr. Vardaraj Pillay. I am sorry I cannot recommend him for this post, not only because he has had no special training in accounts, and is therefore not likely to suit, but because his antecedents in the executive branch (I have now before me a long list of the irregularities committed by him both in Kolar & Shemoga Dts) have been such as to make it very undesirable to put him into such an important post, for which rectitude of conduct and strict integrity are essential qualifications

John Campbell, Colonel
Sup. to Govt Mysore,
20/9/99

I It is quite clear that Mr. Linard a further Pro is ~~now~~ incapacitated for active duties of any Dept.

II For four reasons given in the Concluding part of this note, it is undesirable to put him into the Assist. Engineership, for same reasons it is equally undesirable to put him into any other Dept.

Under such circ^es I wd like to know the Ch. Engr's conclusions as regards the irregularities ref^d to as having been perpetrated in the Kolar & Shimoga Divs. I shd also like to ~~know~~ know if he has worked satisfactorily in the Bangalore & on the Mullewaram Extension

III I don't think it wd be fair to any other Dept to send to it a man physically broken down. ~~If this~~ In the hope that he wd recover the use of his leg I did not object to his being kept on on light work for a time - But his physical defect is unfortunately not remediable. I know of no Dept to which I can send him

The Memorandum of the Revision Act does not have anything to do with a case in which no Memorial has as yet been granted. We may call upon Mr Ananda Tirtha Rao Gokhale to file his General Small Statistics (Nos 1, 2, & 4) before dealing with his Application for Revision. The only heavy item is No 3 (House building advance of Rs 3000). He (or we may be asked how much of this is now actually due and to settle the house contracted with his aid) therefore is sufficient to enable for the same. If Mr A. Rao does not pay this amount or within a reasonable time to be specified, the house may be mortgaged against it. It is presumed that a document mortgaging the house & Govt's lien giving Govt a first claim upon the house has been obtained from Mr Ananda

The Dy. Comr, Bangalore Dt reports that as Mr × Anandatirtha Rao has paid 600 Rs towards the house building advance sanctioned to him, the balance viz Rs 3000 is due from him up to date. He states that the house pledged by him does not seem to be a sufficient security for it, inasmuch as it is valued at Rs 2000, that he was therefore called upon to pledge his life insurance policy as further security for the loan, and that he has agreed to it. He further states that he (Mr Ananda Tirtha Rao) has also been informed that if he fails to pay up the instalments due up to date viz, Rs 1125/- from February 1900 to April 1901, at Rs 75- per mensem his house would be proceeded against. He promises to

the balance ~~may be~~ paid towards the House Building advance of which Rs. 1725 now remain due.

Mr. Ananthathirthalam has desired that future monthly instalments of Rs. 75 on the H. B. advance may be recovered from the pension to be granted to him. But this is not possible since the pension he is entitled to is only Rs. 70-1-5 per mensem. Unless he makes separate arrangements for paying the Insurance premium as well as the excess of the monthly instalment over the pension, the instalment will have to be recovered not at the rate of Rs. 75 but at Rs. 45-1-5 the balance left after deducting the Insurance Premium of Rs. 6-12-0 from his pension.

As an alternative the whole of the pension viz Rs 70-1-5 may perhaps, it is submitted be appropriated towards the monthly payment of the House Building Advance that may still remain unpaid, (even after meeting a portion thereof from the amount of pension that has already accrued), Mr. Ananthanathan Pillai being directed to pay the monthly premia @ Rs 25 of his Policy himself. If he fails to pay the Premia it may be understood that he has elected to surrender his Policy under Rules 10 & 20 of the Insurance Rules and 50 per cent of the Bonus that will be realized, will be appropriated towards the adjustment of a portion of the House Building advance ~~If this be not sufficient from the~~ his pension ~~of~~ of the House ~~if that~~ ~~may be necessary~~, which he

The Comptroller now reports in his letter No 1097 dated 28 Augt/02 that when the permanent pay order on behalf of Mrs Anantha Thirtha Rau was issued in his office in January/02, the Dy. Comr Bangalore Dist was instructed to adjust all outstandings against ~~him~~ the said officer in the manner ordered in Govt. Proceedings quoted above, but the Dy. Comr returned the Permanent Pay order in August/02 as Mrs Anantha Thirtha Rau did not appear to receive his pension payments for over 6 months. The Comptroller now requests for further orders of Govt. on the subject

MM 18/9/02

Subd to Secty

Under article 504 of the Mysore Service

Regulations, if a pension
remains undrawn for
more than six months,
the permanent pay order
must be returned to the
Comptroller & the pension
ceases to be payable.

In the present case,
as Mr. Annutha Thertha
Rao, cannot get any
pension like the ~~one~~
house building advance
is paid up as per para 2
of Govt Pro No. 8689-93 × Serial No
PLA 658
of 6th December 1901, he
doesn't seem to have
presented himself ~~for~~
before the Treasury Officer
to draw the arrears and
pay the same towards
the house building advance.
It seems therefore necessary
that the Dy Commissioner

Shoned cause a notice to Mr. Ananthakrishna Rao calling upon him to pay up the amount of house building advance due by him within a week or 15 days and in default to proceed to recover the amount in the usual course as in the case of other defaulter

The provisions of article 229 of the Service Regulations may also have to be applied if Mr. Ananthakrishna Rao fails to comply with the Dy Commr's order regarding the adjustment of the amount due to Govt.

This is not applicable or necessary

23/9/1902

Ask the Dy Commr to write to Mr. Anand about the Rao

to draw his pension or send an authority to the Dy Ctr or Controller to apply the surrender issued up to date to be appropriated for this purpose. Is there anything against Govt passing an order appropriating this sum towards the loan.

If Mr. A. Rama's life certificate is obtained, I do not see any difficulties in the way.

8/10/1902

Submitted.

Subsequently the Comptroller has written* to Govt on the subject. He says that Mr Ananda Thertha Row's dues to Govt up to end of September 1902 amount to Rs 2308-14-9 and the arrears of pension payable to him up to that date to Rs 2312-14-9 and

* Sl No 18

and requests that Mr Anandatheertha Rao not having appeared before the Treasury officer, Bangalore to give a formal receipt for the amount of pension and adjust the claims, formal sanction of Govt may be obtained to make the needful adjustment in the books of his office.

There is nothing either in the Pension[x] Act or in the Mysore Service Regulations against Govt passing an order appropriating the arrears of pension towards the loan. Sect[n] 11 of the Act and art: 492 of the Mysore Service Regul[ns] simply prescribe that the pension is not liable to attachment by a civil court.

Order thereon:—

The provisions of the Pension Act cannot be applied to a case in which no pension has as yet been granted. Before dealing with the Pension application under notice, the Chief Engineer will be requested to call upon Mr Ananthathirtha Rao to discharge his several small liabilities specified in the margin. The only heavy item outstanding against Mr Ananthathirtha Rao is the house building advance of Rs 300-0-0. The Dy. Comr. Bangalore Dt is requested to report how much of this is now actually due and whether the house constructed with the aid thereof, is sufficient security for the same. If Mr Ananthathirtha Rao does not pay up this at once, or within a reasonable time to be specified or according to instalments originally fixed, the house may be proceeded against. Comr should now obtain one at once. Mr Ananthathirtha Rao, may also be called upon to pledge his Insurance Policy to Govt as additional Security for the repayment of the house-building advance. Sir,

With reference to Government Proceedings No 1294 b of the 15th March 1901, in re the house-building advance due by Mr D. Muhammad Ibrahim Rao, late Assistant Engineer Public Works Department, I have the honor to state that, as he has paid 600 Rs the balance of the advance due from him up to date is Rs 3000/. The house pledged by him does not seem to be a sufficient security for it, in as much as it is valued at Rs 2000/. He was therefore called upon to pledge his life insurance policy as further security for the loan and he has agreed to it. He has also been informed that if he fails to pay up the instalments due up to date viz, Rs 1125/ from February 1900 to April 1901 at 75 Rs per mensem, his ins would be proceeded against. On hearing from him I shall write again. I have the honor to be

It will be seen therefrom that the marginally noted claims have been withdrawn.

Bill from Forest Department for jungle wood supplied	67-6-0

2. On 21st May last, Mr.Anandatirtha Rao was asked to adjust the other items, but he has not done so up to date, though he was told that till this had been done his pension application would not be dealt with. As he apparently does not intend to take any steps in the matter, it appears inadvisable to delay any longer the disposal of his pension application which has already been in abeyance for more than 1½ years. The sums still outstanding against him, which aggregate Rs.42-15-0, may be deducted from the arrears of pension due to him from 1st ~~January~~ 1900, as also Life Insurance premia from that date, if he elects to continue his Insurance.
